

SUPPORT OUR SOLDIERS

We currently have three soldiers that we are supporting who are serving one year terms overseas. **Sgt. Julie Cavinee** and **Anthony Fabbri**, both serving in Iraq, and **James Foster** who is currently in Afghanistan. Julie and James are both on their second tours of duty.

The SVHS Community Concerns Club is collecting snack items like **gum, beef jerky, candy, nuts, suckers, granola bars**, etc. for special **CARE PACKAGES** for our SV alum. We would also like to include notes of encouragement to send over to them and are accepting donations to help with shipping costs -- any amount can help. Our goal is to collect enough goodies so that Julie, Anthony and James can share with the other soldiers in their units. We are also holding a **BAKE SALE on Friday, September 18, 2009**, to raise money for items and shipping costs.

If you have any questions or would like to donate, **please drop off the items in the Front Office of the Art Room for Mrs. Waud-Reiter.** We will be collecting items until Friday, September 18, 2009.
